

COURSE OVERVIEW

This course will enable you to learn a wide range of photographic skills and technical abilities. This can then be applied to a range of short assignments where inspiration from the work of other photographers and students imagination can be explored.

DURATION:

Two years

ENTRY REQUIREMENTS:

To study four A-Levels on the A-Level pathway, students will need five GCSEs at A*-B including Maths and English at minimum C grade plus a portfolio of artwork and evidence of written work.

Final grades for each A-Level will give the following UCAS point scores of:

A* 56 A 48 B 40 C 32

A-LEVEL PHOTOGRAPHY

You will have the opportunity to utilise our fully equipped darkrooms to produce their own black and white stimulating imagery. There is the opportunity to use a wide range of camera equipment, both digital and film.

Fully qualified and talented staff will help you produce a range of exciting assignments covering practical and theoretical topics.

Year two builds on growing expertise and imagination. The final unit culminates in a chosen topic studied at great depth and producing high quality photographic images.

On successful completion of an A-Level programme of study, which includes this course, you will have the skills and qualifications needed to progress onto a wide range of courses at foundation or degree level, or go directly into industry employment.

The qualification you will be awarded is titled A-Level Art & Design: Photography – lens and light based media.

STAY SOCIAL

A diverse range of exciting and stimulating assignments covering practical and theoretical as well as commercial topics.
