OF ART**

# Artistry Unveiled

Twilight Session  
Programme for  
Creative Teachers.

22<sup>nd</sup> – 25<sup>th</sup> April 2024

4pm onwards

[www.northernart.ac.uk](http://www.northernart.ac.uk)

**Photography | Illustration & Animation | Graphic & Digital Design | Acting | Film & TV | 3D Design**

The Northern Creative Network, in collaboration with The Northern School of Art, proudly presents an exclusive week-long series of **FREE** Continuing Professional Development (CPD) opportunities tailored specifically for passionate art and design teachers.

Join us at the prestigious school of art's Middlesbrough campus during twilight hours, where inspiration meets education. This unique CPD initiative is designed to empower art and design educators with cutting-edge skills across a spectrum of creative disciplines.

Our expert instructors will guide you through in-person CPD sessions. From refining your photography techniques to mastering the art of animation, this program ensures you stay at the forefront of the creative landscape.

Limited Spaces Available - Book Now!

Don't miss this golden opportunity to enrich your teaching toolkit. Secure your spot for these twilight CPD sessions today as places are limited. Booking is essential to ensure a warm and interactive learning experience.

**Venue:** Middlesbrough Campus

## Why Attend?

- **Free** to attend for school teachers and careers advisors.
- **Tailored Learning:** Sessions crafted to enhance your expertise in multiple creative domains.
- **Networking Opportunities:** Connect with fellow educators and industry professionals.
- **Hands-on Experience:** Engage in practical, immersive activities to solidify your newfound skills.
- **Career Advancement:** Elevate your teaching approach and inspire the next generation of artists.

Monday 22<sup>nd</sup> April

# Illustration & Animation

Our Illustration & Animation team will introduce Illustration through the topic of comic book art. Delegates will explore Idea generation techniques, creating a narrative and application using a range of traditional illustration media. We will also provide an insight into the Illustration & Animation industries and what opportunities there are for young people entering this field of work. This is an interactive session with limited numbers to ensure that participants can be fully supported. This is ideal for Art & Design teachers who are looking for new approaches for engaging boys, those with learning needs and in supporting mental health and wellbeing.

4-7pm

In-person only

36 places

Monday 22<sup>nd</sup> April

# Photography

The session will provide you with the opportunity to engage with a range of camera less and digital techniques giving you a thorough understanding of the possibilities of their uses. The session will expand your imagination and practical skills, workshops will be delivered by skilled professionals. We will also provide an insight into the Photographic industry and what opportunities there are for young people entering this field of work. This is an interactive session with limited numbers to ensure that participants can be fully supported. This is ideal for those who teach photography to students.

4-7pm

In-person only

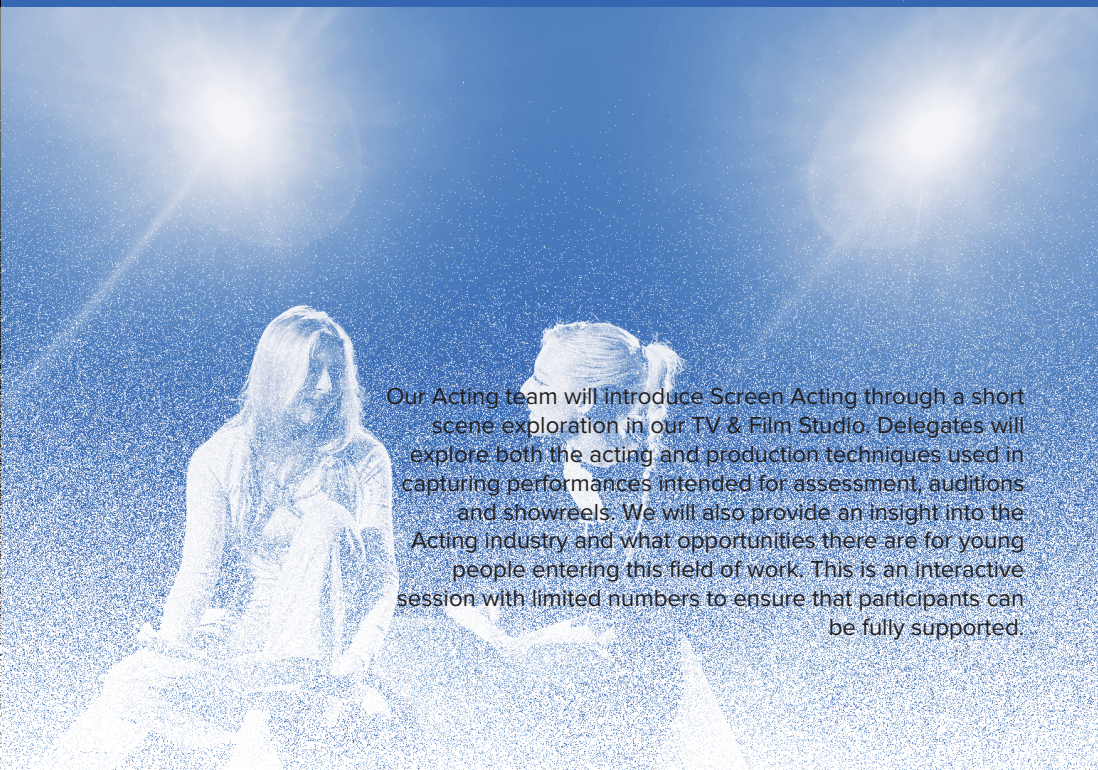

24 places

Tuesday 23<sup>rd</sup> April

# 3D Design

Our 3D team will introduce 3D Design through the topic of sustainable and economic model making. Delegates will explore materials and textures, analyse their qualities and then identify suitable model making techniques to represent them in miniature. This is fuelled by the increasingly environmentally and ethically focused industries of architecture, interior and set design, and inspired by the team's teaching during the Covid-19 lockdowns.

This is an interactive session with limited numbers to ensure that participants can be fully supported. This is ideal for those who have to teach art and design skills and model making.

4-7pm

In-person only

20 places

Wednesday 24<sup>th</sup> April

# Developing Sketchbook work

Our enthusiastic team will demonstrate the magic formula of compiling a double-page spread of a sketchbook. Talking through each stage of the creative process and how pupils can record and document their work more effectively. This session will cover key themes/challenges experienced by teachers and learners in the classroom today. Delegates will be invited to submit questions and we aim to respond during the session.

## ONLINE EVENT

## About The Northern Creative Network (TNCN)

The Northern Creative Network is run by The Northern School of Art as part of its mission to promote teaching and participation in the creative subjects so that there is a secure talent pipeline to meet the needs of a growing and diverse industry.

### We provide:

- CPD sessions and short courses for teachers and advisers (both online and in-person)
- Industry insight events which includes a weekly programme of industry speaker webinars
- IAG information, specifically targeting any knowledge gaps of specific sectors e.g. stage & screen industries
- Networking platform for both education and creative culture sectors
- Masterclasses in techniques and other bespoke services

TNCN forms part of the School's wider suite of outreach work. We provide a range of activities and interventions to help school's enable young people to develop their creative and cultural capital. Our activities encompass both light-touch e.g. one-off masterclasses/workshops to more intense levels of engagement e.g. year-long Saturday Club participation.

If you would like to join our network and be added to the mailing list, please contact [Liam.Bradley@northernart.ac.uk](mailto:Liam.Bradley@northernart.ac.uk)

01642 288 888

### Who we work with

The School engages and collaborates with a number of organisations to bolster its outreach provision, some of which include:
